Long Creek Junior League Night is back for its **10th season**, and we are excited for another great summer on the course. The league welcomes juniors of all ages and skill levels, and encourages participants to attend as many nights as possible throughout the season.

Each week, juniors head out to play 9 holes before returning to the clubhouse for supper. Throughout the summer, players will experience different golf formats, fun skill challenges, and opportunities to win prizes. Our goal is simple: have fun, build friendships, and learn more about the game of golf along the way. Junior League is led by Adam Leonard, with support from Hudson Heistad, Carter Nelson, Reece Kuski, and Chase Callaghan.
